

## CHERRY CREEK ESTATE

### Pure Premium Avocado Oil

Cherry Creek Estate Avocado Oil is made from 100% pure Australian avocados.

Our avocados are cold pressed to produce an Extra Virgin Oil with a delicious, slight buttery taste, making it perfect for using in marinades and drizzling over salads.

The oils' high smoke point means it is better suited for cooking food at higher temperatures. We suggest using Cherry Creek Estate Avocado Oil for pan-frying, roasting, barbecuing and baking.

## Cherry Creek, Queensland, Australia.

### Natural volcanic soil makes for perfect farming.

Sitting on a small plateau of rich volcanic soils, Cherry Creek has a unique micro-climate that makes it perfect for growing avocados, macadamias and a variety of vegetables. The rolling hills of the scenic rim keep moisture in the air for longer, allowing our avocados more time to ripen to their richest, creamiest potential.

### Sunshine and soil is our secret ingredient.

The nutrient-rich profile of our region's soil, combined with Cherry Creek's altitude and climate, means our avos develop higher levels of specific oils that form plant-based Squalane. Carrying the keys to vitality and youth, Squalane helps to boost collagen production and assists in the fight against free radicals.
